ANALYSIS

This is the first Required Review of an approved Special Use Permit (SUP-25031) for a Halfway House for recovering alcohol and drug abusers with waivers to allow a 300-foot separation from an existing Group Residential Care Facility where 1,500 feet is the minimum separation distance required; and to allow a 6,136 square-foot lot where 6,500 square feet is the minimum required at 2621 Brady Avenue.

Staff conducted a field check of the subject site and found that the area surrounding the house was in good overall condition, though there were a few weeds growing in the front yard. The house appeared to be one of the few houses on the block that presented a good appearance. The most recent Code Enforcement violation (40086) was processed in April 2006, but was resolved with the approval of the Special Use Permit (SUP-25031) and the issuance of a business license.

FINDINGS

The subject site is located in an R-1 (Single-Family Residential) zoning district. The business was issued a license (N34-00002) on February 13, 2009 to operate a Halfway House on the subject site. There have been no complaints by neighbors, no new Code Enforcement violations, or business license complaints filed; therefore, staff is recommending approval subject to a two-year review.
